If other, please specify:

6. In order to enable improvements to be made to the infrastructures and services offered through the Trees4Future TA programme, we would value your feedback about the organization of the TA programme. Please provide your opinion on the following aspects of TA:

(a) The publicity made by the Trees4Future infrastructure concerning the access financed by the EC:

(b) The practical information provided on how to apply for access:

(c) The advice on how to choose and use the most appropriate installation or infrastructure:

(d) The information provided, once your project was accepted, on how to use the facility:

(e) The scientific support to set up your experiments and interpret the results:

(f) The technical support to make best use of the installation(s):

(g) The logistical support at the facility (office space, computing, libraries, accommodation):

(h) The administrative support (including the reimbursement of travel & subsistence expenses):

(i) Overall, your thoughts on the services provided:

7. Would you be willing to provide a recommendation that we may publicise on our website?

8. Could you provide the names of other users who might be interested in accessing this site? May we contact them in reference to you?

For questions 9 and 10, please could you indicate which, if any, of your comments can be publicised on the Trees4Future website concerning Transnational Access.

9. Please indicate any comments you would like to make on the services provided (here you can also differentiate your appreciation with respect to the different installations or infrastructures):

10. Please indicate any further comments or suggestions you would like to make concerning your access to the infrastructure:

11. Please outline the main scientific achievements of your TA visit:
